Company Profile 2026

Electronic components trading and supply-chain services from Shenzhen.

Updated: October 2026 | Language: English | Pages: 2

Who We Are

Founded in Shenzhen in 2015, Shenzhen Baolaidi Technology Co., Ltd. has grown from a small trading team into a dependable electronic components supply-chain partner for manufacturers around the world. We trade electronic components and provide supply-chain services across industries — from automotive electronics to IoT — helping customers secure stable supply and control costs.

Stock SKUs	12,000+
On-time delivery	98.6%
Markets served	30+ countries
Working hours	Mon–Sat 09:00–18:30 (GMT+8)

What We Supply

Category	Typical items	Typical applications
Integrated Circuits	MCUs, MPUs, memory, logic, analog & power ICs	Control boards, consumer devices, industrial controllers
Discrete Semiconductors	MOSFETs, IGBTs, diodes, rectifiers, BJTs, thyristors	Power supplies, motor drives, automotive
Passive Components	Resistors, capacitors, inductors, crystals, filters	Every PCB; RF front-ends, filtering
Connectors	Board-to-board, wire-to-board, USB-C, RJ45, FPC/FFC, terminal blocks	Harnesses, modules, panels
Sensors & Modules	Temperature, pressure, current, proximity, IMU	IoT nodes, metering, wearables
Wireless Modules	Wi-Fi, BLE, LoRa, NB-IoT/LTE, GNSS	Connected devices, asset tracking, smart home

Why Manufacturers Work With Us

- **Verified sourcing.** We never trade refurbished or counterfeit parts, and every lot is traceable back to its source.
- **In-house QC.** X-Ray inspection, solderability testing and electrical testing on incoming lots, with ESD-safe storage following ANSI/ESD S20.20.
- **Flexible volume.** From prototype quantities and sample batches to high-volume production runs and annual framework agreements.
- **Inventory programmes.** VMI and consignment stock for customers who need buffer inventory without tying up their own capital.
- **48-hour response.** Send us a BOM or part list and receive a quotation within 48 hours.

Send your BOM or part list to zach.huang@baolaidi.com — we reply within 48 hours with availability, lead time and pricing.
